**COMMENTS:**

This bill would declare the Legislature's intent to have a conference committee on taxation.

The May 31, 2000, amendment deleted the earlier provisions of the bill that would have conformed to a number of federal income tax changes that occurred in 1998.

The May 31st amendment inserted the legislative intent language discussed above.

This bill no longer impacts the department's programs and operations or the state's income tax revenue.
